NOTICE OF COMPLIANCE STATUS

For Secondary Aluminum Production Facilities with Sweat Furnaces

You should submit this Notice of Compliance Status within sixty days after the compliance due date or May 23, 2003.

Submit this notice to:
WI DNR Bureau of Air Management
MACT Coordinator
P.O. Box 7921 (AM/7)
Madison, WI 53707-7921

For more information, refer to the Fact Sheet: Secondary Aluminum MACT and Area Source Requirements, available from your DNR air inspector or the Small Business Clean Air Assistance Program at (608) 264-6153 or (608) 267-9214. You can also refer to 40 CFR Part 63, Subpart RRR -- National Emission Standards for Hazardous Air Pollutants for Secondary Aluminum Production.

Plant Name						
Plant FID#	Plant Phone Number					
Plant Contact/Title						
Mailing Address						
Street Address						
City						
Owner/Operator/Title

PART II - (ONLY SWEAT FURNACE OPERATIONS EXEMPT FROM TESTING)						

second residence time. I have attached documentation to prove my unit meets these design criteria.

☐ I am not required to conduct a performance test at this time because I have an afterburner with the MINIMUM design criteria of 1600°F operating temperature and 0.8

If you are exempt from conducting a performance test, skip PART III.

PART III - (UNITS REQUIRED TO PERFORM INITIAL TEST)

Sweat Furnace ID	Control Device or	Dioxin/Furan Emissions	Parameter Range for Monitoring			
	Technique	Rate from Test	Operating Temp.	Other		
Documentation from Performance Test attached: ☐ Site specific test plan ☐ Data ☐ Measurements ☐ Calculations ☐ Performance Evaluation for Monitoring Equipment						
☐ Capture/Control System Satisfies Requirements (installation according to ACGIH "Industrial Ventilation: A Manual of Recommended Practice" chapters 3 and 5.)						
PART IV - AUTHORIZATION						
Check one of the following boxes that describes your facility's compliance status: The facility is in compliance with the provisions of 40 CFR part 63, subpart RRR.						

A Responsible Official can be:

(Name)

The president, vice-president, secretary, or treasurer of the company that owns the plant;

☐ The facility is <u>not</u> in compliance with the provisions of 40 CFR part 63, subpart RRR.

Print or type the name and title of the Responsible Official for the plant:

The owner of the plant;

The plant engineer or supervisor;

A government official if the plant is owned by the Federal, State, City, or County government; or A ranking military officer if the plant is located on a military base.

I Certify That An Operation, Maintenance And Monitoring (OM&M) Plan Has Been Completed And The Plan And Other Requirements Of 40 CFR 63, Subpart RRR Are Being Followed.

(Signature of Responsible Official) (Date)

I Certify That The Information Contained In This Report Is Accurate And True To The Best Of My Knowledge.
